

About Our Doctor

Bradley Don Britton, M.D.

Brad Britton, M.D. joined TLC Laser Eye Centers in 1996 as Medical Director at our Oklahoma City location. A native of Oklahoma, Dr. Britton specializes in corneal and refractive procedures with an emphasis in laser vision correction and cataract surgery.

Education/Experience

Following completion of his undergraduate degree at Oklahoma Christian University, Dr. Britton received his medical degree graduating with honors from the University of Oklahoma in 1987. He then completed an internship in Internal Medicine at the prestigious Alton Ochsner Foundation Hospital in New Orleans, LA. In 1991, he completed his residency training in Ophthalmology at the same hospital and was awarded Outstanding Resident in his class. Dr. Britton returned to his native state in 1991 where he joined a large multi-specialty practice serving as Chairman of the Department of Ophthalmology. In 1996, Dr. Britton opened his private practice, Britton Vision Associates, servicing central and western Oklahoma.

Achievements

Dr. Britton has established an excellent surgical reputation having performed thousands of refractive procedures. He serves as a member of TLC Laser Eye Centers' International Board of Directors and was recently recognized as one of the top 50 laser vision correction surgeons in North America. Dr. Britton is Board Certified by the American Board of Ophthalmology and is a Fellow of the American Academy of Ophthalmology.
